

ST HELENS GREENS MAINTENANCE TENDER

APPENDIX 3

Hedge Trimming - October - January

Old Church Green, Duver Road, St Helens
West Green (including those adjacent to the paths on the Horseshoe Trail.

The contractor to cut the sides of the boundary hedges at the above sites to include the side of the Horseshoe Trail once a year outside of the bird nesting season. All cuttings to be removed.

Area	Location		Sq meters to cut approx	No of cuts per annum	Suggested Cutting Months
1	Church Green	53m length 2m high	100	1	October/ January
18	West Green & West Green Lane	96 m length 1.5m high 145m length 1.5 high	144 217	1	October/ January

The height and length measurements are approximate - some areas are trees but there is also hedging which requires cutting back annually.
