

## **ST HELENS GREENS MAINTENANCE TENDER**

### **APPENDIX 2**

#### **Grounds Keeping**

##### ***Old Church Green***

Before the first grass cut in March, ensure that the ground is suitable for ongoing maintenance by ensuring all debris from winter storms is cleared and litter removed at no extra cost to the client.

##### ***Memorial Garden***

On two occasions (March & October) ensure the area is clear of rubbish, cut the grass, cut back overgrown shrubs and weed the pathway.

##### ***Nelson Quay***

Maintenance of Flower Bed - on four occasions per annum (between the months of March & October) cut back overgrown foliage, weed and clear litter from the flowerbed.

Maintenance of the Concrete Area - on four occasions per annum, (between the months of March & October) remove and dispose of any litter and weeds and treat with weed killer if necessary.

##### ***Small Garden at the top of Latimer Road***

On two occasions (March & October) ensure the area is clear of rubbish, cut the grass, cut back overgrown shrubs and weed the pathway.

##### ***Flower Beds outside the Public Toilet block, Station Road, St Helens.***

On two occasions (March & October) ensure the area is clear of rubbish, cut the grass, cut back overgrown shrubs and weed the pathway.
